

Dear Students & Parents

As you know that second wave of Covid 19 pandemic has spread across Pakistan, the competent authority has closed down all educational institutions in the country for physical classes wef **26 Nov 2020** to **24 Dec 2020**. However, online classes will continue as per the time table (already uploaded on College Website) during this period. Attendance of students in the online classes is **mandatory**. The students are advised to attend these classes regularly and complete all the assignments / tasks assigned by the respective teachers. The students will have to submit these assignments to their respective teachers (as and when directed) and these may carry weightage towards their final evaluation for the year. It may also be noted that the syllabus covered during these classes will not be re-taught afterwards. Therefore, the students are advised in their own interest to take the online teaching/ learning activity very seriously.

There will be winter vacation wef **25 Dec 2020** to **10 Jan 2021** during which online classes will remain suspended. The send-up examination will be rescheduled tentatively in **mid-January 2021** and final Board exam is expected in **June 2021** subject to re-opening of the institution as per the Government policy.

All class teachers have already created WhatsApp groups of their respective classes for dissemination of important information, academic guidance and problem-solving

Complaints, if any, may be addressed to [p.fgssc@gmail.com](mailto:p.fgssc@gmail.com) for timely correction / rectification. Any further information/update will be shared on the college Website.

Your cooperation in these testing times will be highly appreciated

Stay home stay safe, but keep working!

Regards

Principal
